

WG-SensorData-MeetingMinutes-2024-11-19.txt

Meeting Date/Time: 19.11.2024 / 10:00

Participants: FhG SCAI, Uni Patras, DLR SY

Agenda:

1. Partner Contributions

The group will now focus on additive manufacturing techniques and standardize the measurement and monitoring. More updates will follow in the next year.

2. Updates & News

- Webinar hosted via NAFEMS, 'VMAP - A Vendor-neutral Standard for CAx Data Storage' on 17 Dec 2024 at 16:00.
- VMAP User Forum 2025 is planned for 18-20 February 2025 at Schloss Birlinghoven, Germany

3. Next Steps

Bring in new members to work on the further development of the Standard in the Additive Manufacturing domain

4. Next Meeting

January 21, 2024, at 10:00 CEST
